INTERPERSONAL SKILLS AT WORK

## Building Winning Teams

<b>Overview</b>	<p>Just wearing the same shirts doesn't make a team. The illusive quality that turns a work group into a team is the focus of this workshop.</p> <p>This programme looks at the dynamics of effective teams and the benefits that true team synergy can bring to an organisation or task.</p>
<b>Aimed at</b>	Anyone who works as a part of a team and believes that more could be achieved from the 'sum of the parts'. Particularly useful for intact and newly forming teams
<b>Benefits of Attending</b>	<p>After attending the workshop, you will be able to:</p> <ul style="list-style-type: none"><li>• Identify areas for team working improvement</li><li>• Have participated in 2 team building activities</li><li>• Understand the benefits of teams</li><li>• Know the theory of team roles</li><li>• Know what you can contribute to teams</li></ul>
<b>Topics Covered</b>	<ul style="list-style-type: none"><li>• Teams vs. groups</li><li>• Team roles</li><li>• 10 characteristics of superior performing teams</li><li>• Plan-do-review</li><li>• Key areas of difficulty in teams</li><li>• Handling team problems</li></ul>
